## AUTEL at Latin Auto Parts EXPO Panama 9 - 11 July 2014, Panama City

**AUTEL Intelligent Technology Corp., Ltd.** has lately participated in Latin Auto Parts EXPO (2014) from July 9th to 11th. At this exhibition, AUTEL presented its innovative Automotive Smart Diagnostic & Analysis System - MaxiSys, MaxiSys Pro and MaxiSys Mini, as well as the prestigious MaxiDAS DS708, MaxiDiag Elite series, and Special Digital Inspection Videoscopes, TPMS Series.

During the show, hundreds of visitors were attracted to the booth and tried out Autel products. The brand-new smart diagnostic system was the focus of attention, and had

aroused strong and popular interest among the visitors.

**ABOUT the Latin Auto Parts EXPO Panama (2014)**

The Latin Auto Parts Expo provides manufacturers and distributors direct access to the Latin American and Caribbean OEM, REPLACEMENT PARTS, AFTERMARKET PARTS, AUTOMOTIVE REMANUFACTURED PARTS, and TUNING markets in a warm and personal setting that forges long lasting commercial and personal relationships.

With its Duty Free Zone, Panama is a strategic location for the Expo. Panama has a stable democratic government that is business friendly and counts with a strong currency (us dollars are accepted). Panama is an international air and ocean hub enabling travelers and cargo to reach Latin America, the Caribbean and most of the globe.
