

MaxiSys MS906TS Benz V5.10 2016-12-09

1. Added language support for traditional Chinese and updated text libraries for simplified Chinese, English, Russian, Spanish, Korean, Polish and Dutch languages;
2. Added support for setting the ID format for writing and reading IDs;
3. Improved the ID display rule so that the length of the written and read IDs displayed are vehicle make and model specific;
4. Fixed an issue that the written ID does not match the activated sensor ID when writing the ID for spare tire;
