

## **MaxiSys Pro Seat V9.00 2017-01-11**

1. Optimized model menu to allow users to perform test by model and by system for models up to 2017 such as 5F-Ateca 2017.
2. Added Transport Mode and Injector Matching function in Hot Functions.
3. Optimized Oil Reset and EPB function, and added Auto Reset and Brake Pad Replacement (Operation Guide).
